REMARKS

Applicant requests favorable consideration and allowance of the subject application in

view of the preceding amendments and the following remarks.

Claims 16 and 31-48 are presented for consideration. Claims 16, 31, 33, 39, 47 and 48

are independent. Claims 47 and 48 have been added to recite additional features of the subject

invention. Support for these claims can be found in the application as originally filed.

Therefore, no new mater has been added.

Claims 16 and 31-46 were previously allowed in this application. Applicant submits

that claims 47 and 48 patentably define additional features of the exposure method of the

present invention, and that, therefore, the instant application is in condition for allowance.

Favorable consideration and an early Notice of Allowance are requested.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by

telephone at (202) 530-1010. All correspondence should continue to be directed to our below-

listed address.

Respectfully submitted,

Attorney for Applicant

Steven E. Warner
